Special District Adopted Budget

Basic Form Instructions

Local and Special Districts

A "certification of budget" form is required to be submitted with each budget. Please contact the State Auditor's Office or your independent auditor if you have any questions about these forms or require assistance in completing them.

1. The Certification Page (page 1) must be completely filled out. Page 2 must be completed for the General Fund or the Enterprise Fund. Fill out only the fund your district uses. Page 3 should be completed only for Capital Projects Funds or Debt Service Funds.
2. The law requires that budgets be balanced. This means that in the general fund and special revenue funds, the "Total Revenues" must equal the "Total Expenses." The law further requires that the columns labeled "Prior Year" and "Current Year" be filled in as well as the "Budget" column. The actual expenses shown in the first two columns (with the "Current Year" amounts being estimated) are meant to help you in determining more accurate budget amounts.
3. For the general fund and the special revenue fund: If all, or part, of the prior year's fund balance needs to be used to balance the budget, place the balancing amount on the line called "Contribution From Fund Balance" in the Revenues section. If part of the budget year's revenues are meant to increase the fund balance, place the balancing amount on the line called "Contribution To Fund Balance" in the Expenses section.
4. This budget is a public document and must be kept by the district. It must be available for inspection by the public during business hours.
5. Finally, a copy of this budget must be sent to the State Auditor's Office within 30 days after its adoption. Forms may be sent electronically to sao@utah.gov or mailed to:
